

- Inconsistencies
- Lack of adherence to good practices
- Manual, inefficient processes
- Time consuming formatting
- Compliance risks
- Legal risks
- Incomplete coverage
- Paper format obsolescence

Procedure Program Need Triage?

We can transform your procedure program
in 4-6 weeks!

Poor Procedures – Bad Business

Procedure programs are often overlooked until too late. Poor procedures and practices result in business losses, injuries and other unacceptable liabilities.

Technology Enabled Turnaround

SmartProcedure QuickStart is geared for rapid deployment saving your organization valuable time and resources.

Our QuickStart team works behind the scenes to minimize impact on current resources.

QuickStart Delivers

QuickStart is built on an off-the-shelf framework incorporating best practices and proven methodologies:

- **Deployment Speed** – Solutions implemented in 4-6 weeks.
- **Reduced Costs** – budget is reduced using outsourced resources.
- **Value Delivery** – experience benefits of high quality, consistent procedures and streamlined lifecycle processes.

QuickStart includes:

- SmartProcedures Technology
- Document conversion
- Procedure standardization
- Procedure program framework
- Review and approval process
- Support personnel and writers
